724VR-26D

**OLYMPUS LOCK ANNOUNCES NEW
SFIC MEDICAL CART / FILE CABINET LOCK**

LYNNWOOD, WA — Olympus Lock, Inc. announces the new Olympus 724VR medical cart / file cabinet lock for small format interchangeable core. This product is used extensively in mobile drug/medical carts commonly used in the health care industry. The new 724VR is a direct retrofit for the Best original part number 2P73 with the added benefit of a red caution flag if the lock is left in the unlocked position. The lock will accept standard SFIC cores such as Best, Arrow, Falcon or equivalent. The 724VR comes in US26D (satin chrome) finish and is available for immediate shipment.

Olympus Lock is a manufacturer of easily rekeyable, pin tumbler cabinet locks and interchangeable core cabinet lock bodies for a broad range of institutional applications. Our mission is to create pin tumbler cabinet locks and accessories of unparalleled innovation, quality, keyway compatibility, and value in a manner which sets a new industry standard for excellence. *Olympus Lock—the cabinet lock innovators.* See us on the web at www.olympus-lock.com or contact us toll free at 800-525-0954.
