FOR IMMEDIATE RELEASE

LYNNWOOD, WA — Olympus® Lock, Inc. announces the addition of a new product to its line of small format interchangeable core cabinet locks—the new Olympus 729R Series SFIC ratchet lock. This lock accepts standard SFIC cores such as manufactured by Best, Arrow, Falcon, KSP, etc. The 729R includes true “ratcheting” functionality and comes standard with a 6” strap for 3/16” to 1/4” glass thickness.

An optional strap for 3/8” material thickness is available separately.

The Olympus 729R adds another lock to our growing SFIC cabinet lock line. This lock complements our other cabinet door, drawer, cam and plunger lock SFIC core cabinet locks. The 729R may be purchased in either US26D or US3 finish and is sold less core.

Olympus Lock is a manufacturer of easily rekeyable, pin tumbler cabinet locks and interchangeable core cabinet lock bodies for a broad range of commercial applications. Our mission is to create pin tumbler cabinet locks and accessories of unparalleled innovation, quality, keyway compatibility, and value in a manner which sets a new industry standard for excellence. *Olympus Lock—Continuing to make the changes that change the industry.* For more information contact us toll free at 800-525-0954 or visit our website at www.olympus-lock.com.
